

LANGUAGE ANGELS

EARLY LANGUAGE UNITS - FRENCH

		Unit Summary & Learning Intention
Unit 1	J'Apprends Le Français (I'm Learning French)	This is an ideal starter unit for introducing France as a country and other French speaking countries. This increases the children's intercultural awareness. It also teaches the children how to ask and answer the questions "ça va?", "comment tu t'appelles?" and introduces numbers 1 to 10 along with ten colours. Within a few lessons the children can communicate some basic phrases describing facts relating to France and French speaking countries. This is the quickest way to kick-start French in your school!
Unit 2	Les Animaux (Animals)	This fun, pictorial unit introduces the children to ten nouns and articles for common animals. We will also introduce the children to the use of "je suis..." (I am...) in a very clear, uncomplicated manner. This is an exciting unit using fun, colourful images and offers the children the opportunity to role play the various animals presented.
Unit 3	Les Instruments (Musical Instruments)	This is one of our most popular and original units introducing the children to ten musical instruments and their associated article. We will also introduce and use "je joue..." (I play...) This is a great unit with plenty of interactive sound and is highly pictorial. The children will love miming the various musical instruments. This has become one of our signature units.
Unit 4	Le Petit Chaperon Rouge (Little Red Riding Hood)	This is a fun, story telling unit based around the familiar story of Little Red Riding Hood. Using this well known story we will teach the children how to develop their listening skills in French as well as using cognates to develop their understanding of the vocabulary presented in the story. We will also use the story to introduce various parts of the body.
Unit 5	Je Peux... (I Can...)	This unit introduces the children to the French verb "pouvoir" in the form of "je peux" (I can). Using this verb in this form we will teach the children ten everyday activities (talking, eating, dancing etc.) using a variety of fun PowerPoints, worksheets and interactive games. It is the first introduction to the concept of "je peux" + the infinitive version of a verb but in true Language Angels fashion and methodology it is not presented using any heavy grammatical terminology. It is light and fun but still teaches the children what they need to know. Try it and see!
Unit 6	L'Ancienne Histoire De La Grande Bretagne (Ancient Britain)	This is the first in our suite of four units based on Ancient Britain. We start by introducing the children to the whole time-span that we will cover in our suite of 4 units - from the Stone Age all the way through to the Vikings. In this particular unit we will focus on the three earliest ages of Ancient Britain - the Stone Age, the Bronze Age and the Iron Age. We will look at how to say "I am...", "I have..." and "I live..." (using the first person singular) throughout this unit.

NB: All units end with full assessment materials allowing you to assess what you have taught against the teaching requirements stipulated in the **DfE Languages Programme Of Study For Key Stage 2**. Materials are also provided to allow you to assess the learning and progression of each and every one of your pupils in the four key language learning skills (**speaking, listening, reading and writing**).
